

# LIVE AUCTION PACKAGE

## Give & Get

Columbia Sportswear and Friends of the Children both encourage outings that introduce our youth to the beauty of the Northwest and projects that help sustain it. Your support will allow our youth to embark on a service project with Friends of Trees that teaches them the value of giving back to the community. Columbia Sportswear will provide high quality coats, sweaters, boots and gloves as needed for our youth participants, and the event will end with a pizza party for all participants.

**\$500 will support a child's experience**
