## **Independent Auditors' Report**

The Board of Directors  
*Friends of the Children - Portland*

### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of *Friends of the Children - Portland* and *Youth Resources, Inc.*, which comprise the consolidated statement of financial position as of August 31, 2015, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of *Friends of the Children - Portland* and *Youth Resources, Inc.* as of August 31, 2015, and the changes in their consolidated net assets and their consolidated cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### *Report on Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information on pages 19 and 20 is presented for purposes of additional analysis of the consolidated financial statements, rather than to present the financial position and changes in net assets of the individual entities, and it is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### *Report on Summarized Comparative Information*

We have previously audited *Friends of the Children - Portland* and *Youth Resources Inc.*'s 2014 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated December 17, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2014, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

## Notes to Consolidated Financial Statements

---

### 1. Nature of Activities and Summary of Significant Accounting Policies

**Friends of the Children - Portland** (*Friends - Portland*) is a non-profit organization that provides Portland's most at-risk children with intensive and long-term mentors. We take a preventative, early intervention approach that breaks the cycle of poverty and abuse by helping children in need to overcome the many obstacles in their lives.

The children in the program have significant challenges with 60 percent having parents that did not complete high school, 50 percent having one or more parent that has been incarcerated, and 85 percent being born by a teen parent. The children involved with *Friends - Portland* overcome these odds as 91 percent regularly attend school with an 83 percent graduation rate, 98 percent of our adolescents avoid teen parenting, and 93 percent avoid involvement in the juvenile justice system.

For children and youth, *Friends - Portland* opens doors of opportunity that would otherwise remain closed and support is provided consistently for 12 ½ years.

**Youth Resources, Inc.** provides a safe, positive environment for children involved in the *Friends of the Children - Portland* program to go to play and participate in educational and social programs.

**Summary of Significant Accounting Policies** - The significant accounting policies followed by the *Friends - Portland* and its wholly controlled subsidiary, *Youth Resources, Inc.* (collectively the Organizations) are described below to enhance the usefulness of the consolidated financial statements to the reader.

**Principles of Consolidation** - The consolidated financial statements include the accounts of the Organizations. All inter-company balances and transactions have been eliminated in consolidation.

**Basis of Presentation** - Net assets and all balances and transactions are presented based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organizations and changes therein are classified and reported as follows:

*Unrestricted net assets* - Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* - Net assets subject to donor-imposed stipulations that will be met by actions of the Organizations and/or the passage of time.

*Permanently restricted net assets* - Net assets subject to donor-imposed stipulations that require they be maintained permanently by the Organizations. Generally, the donors of these assets permit the Organizations to use all or part of the income earned on related investments for general or specific purposes.

Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

#### 1. Nature of Activities and Summary of Significant Accounting Policies - Continued Summary of Significant Accounting Policies - Continued

**Use of Estimates** - The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Estimates are used in the consolidated financial statements for, among other things, the calculation of depreciation expense, determination of any required allowance for potentially uncollectible receivables, and functional allocation of expenses.

**Cash and Cash Equivalents** - The Organizations consider all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

**Investments** - Investments are carried at fair value. Net investment activity, which consists of the realized gains or losses and the unrealized appreciation or depreciation of those investments as well as interest and dividend income, is reported in the consolidated statement of activities.

**Beneficial Interest in Assets Held by *Friends of the Children - Portland Foundation*** (the *Foundation*) - *Friends - Portland* has interest in assets invested by *Friends of the Children - Portland Foundation*. At August 31, 2015, assets totaled \$404,913 (*Note 10*).

**Receivables** - Accounts receivable from exchange transactions are recognized as services are provided. An allowance for uncollectible contributions receivable is recorded based on management's assessment of the specific amounts outstanding. Management will write off any balance that remains after it has exhausted all reasonable collection efforts.

**Property and Equipment** - Property and equipment are recorded at cost or estimated fair value at date of donation. Depreciation of furniture, equipment, and vehicles is calculated using the straight-line method over the estimated useful lives of the assets, which range from three to 15 years. Depreciation of buildings and improvements is calculated using the straight-line method over estimated useful lives ranging from 20 to 40 years.

**Revenue Recognition** - All contributions and grants are considered available for unrestricted use unless specifically restricted by the donor. For exchange transactions, amounts received but not yet earned are recorded as deferred revenue.

**Contribution Recognition** - Contributions, which include unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Public support includes \$305,000 and \$408,500 for the years ended August 31, 2015 and 2014, respectively, from the *Foundation*.

#### 1. Nature of Activities and Summary of Significant Accounting Policies - Continued Summary of Significant Accounting Policies - Continued

**Contribution Recognition - Continued** - The Organizations report gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the consolidated statement of activities as net assets released from restrictions.

The Organizations report gifts of furniture and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

**In-Kind Contributions** - The Organizations receive contributed services from a small number of unpaid volunteers who assist in a range of fundraising and program activities. The values of such services, which the Organizations consider not practical to estimate, have not been recognized in the consolidated statement of activities. Significant services received that create or enhance a non-financial asset or require specialized skills the Organizations would have purchased if not donated are recognized in the consolidated statement of activities. The value of such services for the year ended August 31, 2015, totaled \$47,006 and consisted of donated 401(k) administrative services, maintenance services, and dental services for program youth. In-kind contributions of equipment and other materials are recorded where there is an objective basis upon which to value these contributions and the contributions are an essential part of the Organizations' activities.

**Income Tax Status** - Income taxes are not provided for in the consolidated financial statements since the Organizations are exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state provisions. The Organizations are not classified as private foundations.

GAAP prescribes a recognition threshold and measurement process for uncertain tax positions and also provides guidance on various related matters such as interest, penalties, and required disclosures. Management does not believe the Organizations have any uncertain tax positions. The Organization files informational returns. Generally, the returns are subject to examination by income tax authorities for three years from the filing of a return. There are currently no tax examinations in progress for any periods. Interest or penalties assessed by taxing authorities, if any, would be included with administrative expenses.

**Functional Allocation of Expenses** - The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

During 2014, the Organization signed a 49 year ground lease, with an option to extend for five consecutive terms of 10 years each, with the City of Gresham for \$1 a year for the use of land to build and operate a new facility. During 2015, the lease commenced upon signing a \$2,475,542 contract with a general construction contractor. The total estimated cost of the project is \$5 million, including estimated construction and furnishing costs of \$3.1 million, the land lease valued at \$900,000, and the remaining funds to be used for ongoing facility operating costs. Management believes the project will be funded through capital campaign donations. At August 31, 2015, the Organizations had cash of \$820,078 and pledges receivable of \$1,239,033 restricted for use on this project.

**11. Financial Instruments with Concentrations of Risk**

Financial instruments that potentially subject the Organizations to concentrations of risk consist primarily of cash and cash equivalents and receivables. The Organizations typically maintain balances of cash and cash equivalents that are in excess of Federal Deposit Insurance Corporation (FDIC) limits. Concentrations of risk with respect to receivables are limited through various monitoring procedures. At August 31, 2015, 45 percent of net receivables was due from four donors.

**12. Fair Value Measurements**

GAAP establishes a three-level hierarchy for disclosure of assets and liabilities recorded at fair value. The classification of assets and liabilities within the hierarchy is based on whether the inputs to the valuation methodology used for measurement are observable or unobservable. Observable inputs reflect market-derived or market-based information obtained from independent sources while unobservable inputs reflect estimates about market data.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1: Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments that would generally be included in Level 1 include listed securities.
- Level 2: Pricing inputs are observable for the investments, either directly or indirectly, as of the reporting date, but are not the same as those used in Level 1. Fair value is determined through the use of models or other valuation methodologies. Investments generally included in this category include corporate bonds and loans.
- Level 3: Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. Investments included in this category generally include general and limited partnership interests in corporate private equity and real estate funds, debt funds, and hedge funds.

*Friends - Portland's* assets measured at fair value on a recurring basis along with how fair value was determined, for the year ended August 31, 2015 are as follows:

	Level 1	Level 2	Total
Beneficial interest in assets held by <i>Friends of the Children - Portland Foundation</i>	<u>\$ 348,938</u>	<u>\$ 55,975</u>	<u>\$ 404,913</u>

Fair value of equity securities and fixed income securities is measured by reference to quoted prices as provided by the *Foundation's* investment broker.

**13. Endowment Funds**

GAAP require *Friends - Portland* to present its net assets and its revenue and gains based upon the existence or absence of donor imposed restrictions into these classes: unrestricted, temporarily restricted, and permanently restricted. Accounting standards provide guidance for the classification of donor-restricted endowment funds that are subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA). Accounting standards also provide for enhanced disclosure about endowment funds (both donor restricted endowment funds and quasi-endowment funds).

*Interpretation of Relevant Law*

The Board of Directors of *Friends - Portland* has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, *Friends - Portland* classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument, if any, at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by *Friends - Portland* in a manner consistent with the standard of prudence prescribed by UPMIFA.

*Investment Strategy and Spending Policy*

During 2009, an endowment fund was established to provide funding for scholarships for students who have completed the *Friends - Portland* program and are continuing their education in a traditional four year college, community college, or a trade or vocational school. Endowment assets are invested with *Friends of the Children - Portland Foundation* and are subject to the *Foundation's* investment policies. A formal spending policy has not been established. During the year ended August 31, 2015, the funds were invested with the *Foundation* on behalf of *Friends - Portland*.

Endowment net asset composition by type of fund as of August 31, 2015, is as follows:

	Unrestricted Deficit	Temporarily Restricted	Permanently Restricted	Total
Fast Friends Scholarship Fund	\$ (1,091)	\$ -	\$ 40,824	\$ 39,733

**FRIENDS OF THE CHILDREN - PORTLAND**

**Notes to Consolidated Financial Statements - Continued**

**13. Endowment Funds - Continued**

Changes in Fast Friends Scholarship net assets for the year ended August 31, 2015, are as follows:

	Unrestricted Deficit	Temporarily Restricted	Permanently Restricted	Total
Fast Friends Scholarship net assets, beginning of year	\$ -	\$ -	\$ 37,074	\$ 37,074
Contributions	-	-	3,750	3,750
Net investments return of Fast Friends Scholarship funds held at <i>Friends of the Children - Portland Foundation</i>	(1,091)	-	-	(1,091)
Fast Friends Scholarship net assets, end of year	\$ (1,091)	\$ -	\$ 40,824	\$ 39,733

From time-to-time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires *Friends - Portland* to retain as a fund of perpetual duration (historic dollar value). Deficiencies of this nature reported in unrestricted net assets were \$1,091 as of August 31, 2015. These deficiencies resulted primarily from unfavorable market fluctuations.

**14. Lease Commitments**

The Organizations lease office equipment under operating leases expiring through August 2020. Lease expense for the year ended August 31, 2015, was \$3,066. Future commitments due under the leases are as follows:

Years Ending August 31,	Amount
